Our in-house developed tool to quickly download hundreds of our arrangement photos.

**Order, download, promote, and sell!**

**Did you know that you can immediately download photos to all products while placing the order? Search for the option in the shopping cart.**

**You can also download images for selected collections if you prefer.**

## Step 1

The screenshot shows the PartyDeco website interface. At the top, there's a search bar and navigation links for 'EN', 'Company site', and 'Contact'. Below the search bar, there are category links: '2022 OFFER', 'OCCASIONS', 'PRODUCTS', 'WEDDING', 'HEN NIGHT PARTY', and 'BIRTHDAY'. The main heading is 'Hocus Pocus Collection'. On the left, there's a sidebar with a list of Halloween-related categories. The main content area features two large images: one of a Halloween-themed table setting and another of a child in a witch costume. Below these images, there are two buttons: 'DOWNLOAD PICTURES' (circled in pink) and 'DOWNLOAD CSV INTEGRATION FILE'. A table below lists products, including 'Balloon garland Halloween, mix' with columns for code, name, in stock, discount, gross, and net. The 'DOWNLOAD PICTURES' button is highlighted with a pink circle.

## Step 1

The screenshot shows a shopping cart with three items. The 'Download pictures' button is circled in pink. The cart items are:

Name / EAN / Code	Net	Gross	Quantity	Total net
Balloon garland Halloween, mix 29043300205 GBN17			1	
Foil balloon Witch, 73,5x101 cm, mix 39043300785 H8542			1	
Witch's hat, black 390433008247 CW42Q 050			1	

## Step 2

The screenshot shows a 'Product photos order' dialog box. It has two sections: '1. Choose photo type:' and '2. Choose photo format:'. The 'ORDER' button is circled in pink. The dialog box contains the following text:

1. Choose photo type:  
 main photos  
 main photos + arrangement photos  
 photos of packaging

2. Choose photo format:  
 low resolution  
 high resolution

Photos will be prepared for you after clicking the Order button. Once they are ready, you will receive an e-mail with a download link. The history of your download links is also available in "My account" > "Orders of photos" section.

The time of generating a set of photos depends on the size of your package - from a few minutes to several hours.
